

Child Life Wish List

Thank you for your interest in giving to the seriously ill or injured children and teens hospitalized at El Paso Children's Hospital. A hospital stay is a stressful and difficult time for children and their families. To meet the needs of all patients and families, we ask that any donated items be **appropriate for all ages** and medical conditions. Donations and gifts are used throughout the hospital for patients from infants to teenagers.

All donated items must be new, toys must be washable (plastic, wood), and items must not have religious, political, or violent themes.
