DONATION GUIDELINES

El Paso Children's Hospital (EPCH) provides services to children from infancy to young adult. We service a wide variety of patients from the community. Since many patients are more susceptible to illness, our infection control guidelines prohibit us from accepting items that have been previously used.

WE DO NOT ACCEPT:

- Food or candy because many of our patients are on special diet requirements.
- Latex balloons
- Books/toys with religious, violent or political themes out of respect for the diversity of family beliefs.
- Any type of previously used or gently used toys, stuffed animals, clothing, books, etc.
- VHS tapes or Cassette tapes
- Live plants, wreaths, trees, or flowers
- Handmade gifts, hand decorated items, or gift wrapped items

We prefer for gifts to be unwrapped in order to see appropriateness for the patients.

A donation drop-off may be scheduled with the Child Life Services by calling 915-298-5444, ext. 43004. We ask that a donation drop-off be planned two weeks in advance. Donations are best accepted during business hours between 9:00am-5:00pm.

A photo opportunity is offered in the Lobby and may be posted to El Paso Children's Hospital social media pages for public acknowledgement of the donation.

You will be asked to fill out a Donation Acceptance Form and will receive a letter of acknowledgement from the El Paso Children's Hospital Foundation in the mail.

Thank you for your generosity and interest in serving our patients here at El Paso Children's Hospital!
